Christmas Day Lunch in HTICU on SUNDAY DECEMBER 25, 2016

The next meeting will be our annual Christmas Day lunch – we start serving around 11 AM. It will be in the HTICU conference room on the 5th floor of the West Pavilion. This is for pre and post transplant patients and their families on all of the heart, lung, and liver floors, those who are at the Townhouse, and donor families who would like to participate. **We need the help of those of you that live in the Birmingham area to help provide the food.** Please call Stan Smith at 205-655-3151 if you have any questions [please leave a message]. **The Support Group will be furnishing hams, turkeys, soft drinks, paper goods and plastic wear.** We are in need of casseroles, vegetables, congealed salads, salads, and deserts. Each year this does provide a blessing to those in the hospital especially during the Christmas Holidays. Last year we used over 350 plates! **If you can spare a couple of hours on Christmas day, we really could use your help serving.** We look forward to hearing from each of you.

Message from Stan Smith, President

I hope you had a great Thanksgiving! Lots of activities and food and shopping and food and more shopping and decorations and shopping going on!! Thank you Amazon.com ☺!

Check out the anniversaries this month. There are 35 people that are 10 years or more post-transplant – fantastic. Only those with release forms are listed! If you don't see your name, please send in a release form.

Speaking of food (again), it's time to start planning for our annual Christmas Day lunch in the HTICU Conference Room in the West Pavilion. **I really will be needing some help**

again this year if you can spare several hours on Christmas Day.

We start setting up around 10 AM in the HTICU Conference Room on the 5th floor of the West Pavilion, and start serving around 11 AM. We will be serving the patients and their families at 11 AM and the staff at 12:30 PM. This has worked very well the last two year and all our patients were served.

If you would like to make a monetary contribution, please make out your check payable to Stan Smith (my address is shown on page 2). Any money left over will be used for Support Group activities.

2015 Christmas Lunch

If you have never helped with Christmas Day lunch, here are several pictures from 2015 to give you an idea of the amount of food that appears!

This photo shows some of the food. There was another table to the left of the picture, and the desert table in the hallway.

Here are a few of the helpers

There were at least another 8 or 10 people not pictured that were helping.

Holiday Pecan & Candy Sale

If you are in need of pecans and/or holiday candy, the UAB Hospital Auxiliary is selling these goodies from 9 AM until 1 PM at the following locations:

- North Pavilion 2nd floor
- West Pavilion Atrium
- The Kirklin Clinic

The proceeds from the sale go to the Auxiliary's Nursing Scholarship program.

'An Organ Donor Saved My Life'

This is the saying on a T-shirt that the AOC is using for a fund raising project. With the funds generated by the selling of the T-shirts, special gifts will be given to the Donor Families in addition to the Bronze Medallion now presented during the Donor Recognition Ceremony. If you would be interested in a T-shirt, the cost will be \$12 including shipping and handling (make checks payable to **UAB/AOC Educ. Fund**).
